Internship Completion Certificate

Date: 13-01-2026

This is to certify that Hiya Lodha, a student of S.R.M. Institute of Science and Technology (SRMIST), Kattankulathur, Chennai, has successfully completed her internship with Foshan Shuoyu Machinery R&D Co., Ltd. from 13th December 2025 to 13th January 2026 in online mode.

During the course of the internship, she gained valuable exposure to industrial machinery used in the quartz manufacturing industry. She developed an understanding of cutting, polishing, and designing machines used for quartz processing, including their working principles, system components, control mechanisms, and operational workflows. The internship provided insights into the coordination between mechanical systems, electrical controls, and software interfaces involved in modern machinery.

Hiya demonstrated curiosity, discipline, and a strong willingness to learn throughout the internship period. Her active participation and effort in understanding the machinery and technical processes were commendable.

We wish her every success in her future academic and professional endeavors.

Best Wishes,
